MAILING ONLINE SERVICE

Docket No. MC98-1

NOTICE OF UNITED STATES POSTAL SERVICE
OF FILING OF WEEKLY DATA REPORTS
(December 3, 1998)

The United States Postal Service hereby provides the first three Mailing Online weekly data reports for the market test, covering Accounting Period (A/P) 2 Week 3, A/P 2 Week 4, and A/P 3 Week 1. The reports are attached.

The following notes apply to these reports.

1. The notation "n/a" is found where data items are not yet available. An interim revision of the software, to be implemented later this month, is expected to permit their collection and tabulation. We will report them as they become available.

2. The transaction statistics exclude information on "orphaned jobs." Thus, in the A/P 3 Week 1 report, two users report a total of one transaction. The difference is an orphaned job, which was canceled either because of a payment or a processing problem.

3. User information cannot be aggregated beyond the period for which it is provided. A user who conducts two transactions on a given day is counted as one user for that day, and a user who conducts one transaction on one day and another on the next day is counted as one user for that week. User numbers by day therefore do not

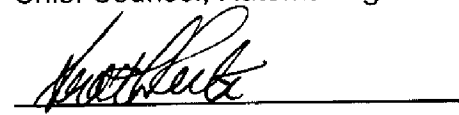

sum to the weekly user numbers. Similarly, the weekly user numbers cannot be summed to get the total users for the market test.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorneys:

Daniel J. Foucheaux, Jr.
Chief Counsel, Ratemaking

A handwritten signature in dark ink, appearing to read "Scott L. Reiter", is written over a horizontal line.
